Sirs,

92-266

Today's Herald has advised I could write to you re the Cable Companies. I reside in a Condo and Storer South had the sole right to cable in my Condo so I had no choice. However any day this can change.

I would like to have a choice of which Cable Company I could use, and therefore request that if Storer South has a monopoly for my area, which I understand they do, I would like yo have this monopoly changed. I feel sure my Association would chose the Cable Company with the cheaper rate.

Yours faithfully,

Owen H. Borough
